

MUTUAL ELEVEN

**DIRECTORS REPORTS
MONTHLY REPORTS FOR**

May 2020

(See information attached.)

Thank you for joining in on our second ZOOM meeting brought on by this pandemic. I think I can speak for the board when I tell you that we all hope that you stay well and pray that our scientists find a vaccine very soon. So far, Mr. Ankany tells us that there are no reported Covid-19 cases in Leisure World and it is thanks to the efforts of all of our residents. We have been diligent staying home and protecting ourselves from the outside by ordering groceries delivered or having our relatives do our shopping. I love to see people out walking with face covering. While not required outside, it shows that you care about others and want to protect not only yourself, but your fellow shareholders.

I would like to thank the ladies from Mutual 11 that are sewing masks for the Leisure World Sewing Brigade, Dorothy Schwartz, Sandra Hoyt, Sylvia Zavala, Diane Rosado, and Mari Oskins all have put in numerous hours sewing masks for essential personnel. Recently we made masks for the Seal Beach, Tustin, and LA Police Departments. I am proud to be a part of this sewing group. I also, want to recognize Alice LaBranch for her efforts cutting out the fabric for these masks. It takes a village.

We have finally been able to get the necessary roof repairs done. We had some problems with the work orders falling between the cracks when our inspector took ill and we were given a new temporary inspector who picked up the hammer and hired M & M to do the work. Thank you, Ray Jones and Mike Meza for helping us out. I have been pleased with both inspectors.

We had some problems with sidewalk lighting between and around buildings 272, 273, and 274. From-one-day-to-the-next, they would be out at night. It took 2 weeks to get it right, but thanks to Oscar, our amazing technician, the job is done and the lights stay on.

We are coming up on our election cycle, later, rather than sooner. Ballots will go out on June 23rd and the resulting annual meeting will take place on **July 23, 2020**. Not sure just yet what that will look like. I will let you know when I know. We will have a **ZOOM TOWN HALL MEETING** on July 1st at 2:00 PM. Watch for the log in information posted in the laundry rooms soon.

We have a number of candidates running this year:

11-279C Gary Adelman – incumbent	11-278A Brenda Hemry – incumbent
11-266C Guta Basner – incumbent	11-283C Patrick T. Henehan – incumbent
11-267G Denis Craig	11-274J Leslie Martin Juchna

Thank you again for joining the meeting.

LANDSCAPE COMMITTEE REPORT FOR BOARD MEETING HELD ON
21ST.MAY 2020 at 1.30PM.

We are certainly living in strange times and never did I think I would be attending so many 'Virtual Meetings'.

The Landscape Committee has been unable to get together for the past two months but nevertheless the committee members and I have kept in touch and tried to keep on top of any issues arising throughout our Mutual.

In spite of the Covid – 19 virus, and much to our relief,our gardening and lawn crews have been able to continue their work since they are determined by the State Government to be 'essential' workers.

Those of you who live near to Buildings 262 and 284 will be aware we have had the Bottle Brush trees in those areas trimmed to the delight of most of the local residents.

We are now on our summer watering schedule for sprinklers so hopefully our lawns will continue to retain their color. Should you notice any problem areas please send me a text or leave a voice mail and I will investigate.

We are grateful that to date we are unaware of any reports of Shareholders throughout Leisure World being affected by the Virus and sincerely hope this will continue to be the case.

Till our next meeting please take care and stay safe.

Geoff Davies

Chairman Landscape Committee.
